4010 Lil' Spartan Drive Saraland, Alabama 36571 Phone (251) 375-5420

**SUPERINTENDENT – Brent Harrison, Ed.D.**

2-10-2025

Dear Parent/Guardian,

Subject: 5<sup>th</sup> through 12<sup>th</sup> Grade Immunization Clinics

The Health Hero HNH Immunization program will be providing an immunization school-based clinic at Saraland Elementary School, Saraland Middle School, and Saraland High School for 5<sup>th</sup> through 12<sup>th</sup> grade students. We are including more grade levels in the attempt to target those students that may need the Meningococcal or HPV vaccination. On the consent form, there is a place to complete your insurance information, if you do not have insurance, it is offered free of charge.

Most colleges require the Tdap to be current and an additional Meningococcal vaccination, especially if they are living in a dormitory. HNH is offering all three vaccines to your student on the following date: **Wednesday, February 26, 2025**. Read the attached permission form from HNH about the vaccines that will be offered. Remember, the Tdap is mandatory for 6<sup>th</sup> grade entry.

We will make a copy of the student's current immunization card for the nurses. Once the student receives the vaccine, we will create your child a new immunization card for school. This information will also be put in the Alabama's Imprint site for future verification of vaccines for your child.

**When completing the consent form, make sure you put your initials on the line of the vaccine or vaccines that you want your child to receive on the top of the Vaccine Consent Form. Answer all of the questions on the form, sign the form, and return the completed consent form to the school nurse by the date of the clinic.**

This is a clinic to help our children, adolescents, families, school, and community to decrease vaccine-preventable disease. If you have any questions, please contact Diana Collins, Lead Nurse, at 251-586-1495.

Thank you,

Diana Collins MSN, RN  
Supervisor of Health Services
