schoolology®

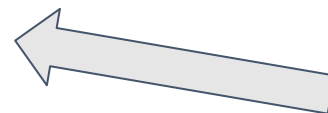

Schoolology is Saraland Middle School's online learning management system. Both in-class and online students must log in through Clever to receive daily assignments.

Welcome to Mrs. White's 7th Grade Life Science. Here you will study an introduction to Biology, Genetics, Environmental Science, and Anatomy. .

Students will develop independent, critical thinking skills. This exploratory learning method will be combined with the integration of technology, real world applications, and writing, and will provide a solid foundation for future successes in science.

Daily Supplies Needed

- 3 Ring Binder to share with other classes
- Tab Dividers
- Pencil and Pen (both are necessary)
- Colored pencils with self-contained sharpener
- **Wired** (not wireless) Earbuds
- Highlighters

Grading Policy

Grading Parameters:

- Standards Based Assessments (Tests/Projects) = 60%
- Classwork/Quizzes = 20%
- Content Writing = 10%
- Performance Based Assessment (Labs) = 10%

Classroom Expectations

- Enter the classroom quietly and immediately prepare to do your bell ringer.
- Show Respect to Everyone. Treat your classmates, your teacher, and yourself with respect so that we can maintain a positive classroom culture. Any posts in Schoology should be appropriate for a classroom setting.
- Treat all school property with respect.
- Be engaged. Stay focused on your assignment and presentation. Reduce any distractions. This means “No Cell Phones”
- Be ready to learn and participate. Use class time efficiently.
- When absent from the classroom, check all assignments on Schoology and turn them in on time. No Plagiarism!!
