Schoology is our online learning management system. Assignments and resources will be posted daily and students will submit their work through Schoology. Grades will be accessible through PowerSchool.

Welcome to Mrs. Duke's 8th Grade Physical Science. Here you will study an introduction to chemistry and physics.

In 8th Grade Physical Science, students will participate in a variety of hands-on activities including some experimentation to facilitate learning. Class activities will also include lectures and note-taking, watching science video clips, and participating in topic relevant demonstrations, and lab activities.

Classroom Expectations

- Enter the classroom quietly and immediately prepare to do your bell ringer.
- Show Respect to Everyone. Treat your classmates, your teacher, and yourself with respect so that we can maintain a positive classroom culture. Treat all school property with respect. Any posts in Schoology should be appropriate for a classroom setting. Follow all classroom rules.
- Be engaged. Stay focused on your assignment and presentation. Reduce any distractions. This means “No Cell Phones”
- Be ready to learn and participate.
- When absent from the classroom, check all assignments on Schoology and turn them in ON TIME! No Plagiarism!!
