

CAREER & TECHNICAL EDUCATION ADVISORY COMMITTEE MEETING

Saraland City Schools
Fall 2022

Saraland City Schools

EST. 2008

- Ranked as one of the top performing public school districts in Alabama.
- Constructed facilities to expand program offerings and enrich educational experiences for all students in grades K-12.
- Provided workforce-ready skill training in career tech classes, including health care, welding, computer literacy, dietetics, and engineering.
- Located in a growing community with tremendous support for its schools!

FOUR CAMPUSES - ONE GOAL

Saraland Early Education Center (PK-1), Saraland Elementary School (2-5), Saraland Middle School (6-8), and Saraland High School (9-12)

EXPECT MORE. ACHIEVE MORE.

MISSION

“Building a foundation for student success.”

VISION

“A community united in **building** a school system where high expectations and the relentless pursuit of educational achievement establish the foundation for individual student success.”

HOW DO WE COMPARE?

A comparison of 145 districts across
the state of Alabama

STATE OF ALABAMA RANKING

2022 ACAP SUMMATIVE - GRADES 3-8
and ACT + WRITING - Grade 11
