The special ingredient that makes Saraland Schools so special is our teachers and their dedication to professional growth! The Family and Consumer Science (FACS) teachers at Saraland Middle School and Saraland High School sharpened their knife skills and learned "your sauce is only as good as your stock" while spending the past week studying under master chefs 🍳 at The Culinary Institute of America in San Antonio. Equipped with enhanced techniques and recipes, Mrs. Patterson and Mrs. Munday are excited to spice up their classroom kitchens! Bon appétit! 🍴

Saraland High School added 151 new photos.

Congratulations to officers and new members who participated in the Career and Technical Student Organizations induction ceremony! Leadership, achievement, and skills-based learning were celebrated during the 6th annual collaborative induction ceremony of Saraland High School's CTSOs – FBLA (Future Business Leaders of America), FCCLA (Family, Career and Community Leaders of America), FTA (Future Teachers of Alabama), HOSA (Health Occupations of America), SkillsUSA, and TSA (Technology Student Organization). A big thank you to Bridget Wilson, executive director of SAWDC, for being the keynote speaker and to Alabama FBLA District Three Vice President Jacory Foreman, from Jackson High School, who conducted the CTSO officer induction. Career Tech Education is learning that works!

Attainment Goal

+ 500,000

highly-skilled employees to
Alabama's workforce by 2025

SUCCESS+

Exciting economic development news means exciting opportunities for Saraland students and the community! Today Airbus announced its plans to build a second final assembly line at its Mobile plant and to hire 1,000 additional employees. FlightPath 9 has also been relaunched and expanded to help train future workers. Students and recent graduates accepted into the program will earn industry certifications and 18 hours of college credit from Bishop State Community College while also learning skills to make them workforce ready. Congratulations to the following current and former Saraland students for being selected to the FlightPath 9 program:

- ✈️ Zach Brown, Class of 2022
- ✈️ Joshua Bledsoe, Class of 2021
- ✈️ Dianna Pierce, Class of 2021
