- Monday, October 9th - No School, Teacher Workday

Classroom Reminders

Fun Friday: Thank you Morgan for last week's snack. This week is in charge of Fun Friday Snack.

Open House: You are invited to Open House in our classroom on Thursday, August 31st, from 4:30-6:30 p.m. We hope to see you there!

Red Words and Spelling Words: Red words and spelling words will be listed on the newsletter each week. Please make sure your child knows how to read and spell them. Your child will also need to know how to use each red word in a sentence.

Snack: Please make sure your child brings a snack or purchases a snack each day. It is very sad to see a child sit while others are eating. We do NOT have extra snacks in the classroom.

Tags on Backpacks

Please do not remove transportation tags and cafeteria number tags from your child's backpack. Students are required to have both and they are used each day. If you change your child's backpack, please put both tags on the new backpack.

Red School Folder: Please check and initial your child's folder daily.

Water Bottles: Students should bring water bottles. Please make sure that your child has ONLY water in his/her bottle. Metal or plastic water bottles with drink spouts are encouraged.

Cookie Dough Fundraiser: The cookie dough fundraiser will end on August 30th. Make sure to send in all money by this date.
