

# **Mrs. Munday's Classroom Expectations**

**INSTRUCTIONAL PHILOSOPHY:** All students are expected to meet the course goals and perform at their greatest potential. A variety of teaching techniques will be used such as: small and large group discussions/activities, worksheets, paper/pencil test, lecture, independent study, role-playing, and cooking and sewing labs.

## **Students will be held to the teacher's TEAM motto:**

- Treat yourself, your peers, your teacher, and all classroom materials with respect.
- Expectations are high!!! This is an academic course. Expect to learn!!!!
- Always do your best. Participation is NOT an option.
- Make sure to cooperate and communicate with your teacher and your classmates.

### **CLASSROOM RULES**

1. Be on time, on task, and prepared to learn EVERYDAY  
#aintnobodygottimeforthat
2. Respect the teacher, the classroom, other students and yourself  
#benice #giverespecttogetrespect
3. Be responsible for your own learning  
#workhard #worryaboutyo'self
4. Clean up after yourself and your peers  
#notyourmom #donthavekidsforareason
5. Keep all personal electronics PUT AWAY  
#onlywithpermission #phonejail #noheadphones

### **Daily in Classroom Guidelines**

1. Enter the classroom quietly, and have a seat in your desk.
2. Once you are in the classroom, you are IN the classroom.
3. Wait for teachers' instructions for the day while she takes roll.
4. When the bell rings at the end of class gather ALL of your materials/trash, and push in your chair.
5. Place any and all classroom supplies back in the appropriate place when finished using them.
6. Take pride in your school and this classroom. You will be held accountable for damage to school property.
7. Never touch or remove anything in the classroom without permission...including microwave, fridge, freezer, storage closet.
8. My classroom is not your break area or your home. It is to be used for cooking labs only. No you cannot use my kitchens for your personal food!
9. Do not move my chairs to sit by your friend. TWO chairs per table.
10. Use respectful behavior at all times. Practice consideration, generosity, and plain ole' kindness.
11. Textbooks, laptops, iPads MUST be put back in order on the shelf or cart when you are finished using them.
12. You are responsible for making up missed work.
13. CHEATING will not be tolerated. You will receive a zero for assignment and/or test.

### **SAFETY RULES:**

1. NO HORSEPLAY: running, goofing off, acting silly, throwing things, etc.
2. Do not use equipment that is damaged or does not start to run properly; notify the instructor.
3. DO NOT lift objects that are too heavy. Keep back straight, knees bent, and get help as necessary.
4. Walk, do not run and watch for wet floors.
5. Wash hands often during labs.
6. Use caution when handling liquids/fluids or chemicals, wipe spills immediately with proper equipment.
7. Do not handle electrical equipment with wet hands.

**SUBSTITUTES:** There is no excuse for bad behavior!!! A substitute will be viewed as any other visitor. They have all the necessary information to conduct a class, and they will hold you to all the standards that I hold to you. Students will have an assignment left for them that will be due that day unless told otherwise. You will get 2 grades that day:

- one for the completed assignment
- one for participation grade for completion.

If the student does not complete assignment left they will receive 2 zeros for that day: One for the assignment and one for participation. If for any reason, a student misbehaves for a substitute, the parent or legal guardian will be contacted.

**LABS:** We will still cook and sew during Covid-19. We will take extra safety and sanitary precautions during these times. Please be patient with this so we can still participate in these fun labs.
