

Saraland Elementary School Library Media Services

Library Services and Support

Mission-

The mission of Saraland Elementary School library media center is to assist our students in becoming lifelong learners by instilling a love of reading through education, collaboration and innovation.

Goals-

- To provide instruction that supports the curricula and educational goals of our school.
- To support classroom teachers by helping to increase student reading levels while developing users who are skilled in information access and responsible digital citizens.
- To foster a love for reading in different genres and formats.

Instructional Activities

Instruction will be designed to teach literacy and information skills that meet the needs of students in today's society.

Lessons include-

- Library skills
- Digital Citizenship
- STEAM activities
- Makerspace activities

**DIGITAL LITERACY
FOCUS POINTS**
SEE STUDENTS PLEDGE TO FOLLOW THE CLASSROOM TECHNOLOGY
AGREEMENTS AND SHOW THAT WE ARE POSITIVE DIGITAL CITIZENS.

RULE #1
WE HOLD OUR DEVICES
CORRECTLY.

Special Events and Fun Stuff!

Accelerated Reader

AR drives a big part of our reading program and provides goals and incentives for all students.

Millionaire Club

It is a big deal to be in the Millionaire Club at Saraland Elementary! In order to receive an invitation, students must have read a million or more words. Invitations are given at the end of each grading period.

Spartan Scoop!

The Spartan Scoop News Team is a group of students that gather news and fun information through video for broadcasts every other week. Over the year, the students learn to video, edit and produce the show independently.

Funding and Finance

Funding is provided for library media through a variety of avenues. The majority is through state library enhancement funding and book fairs.

Expenditures-

- Books
- Technology
- Supplies for Instruction
- Reading Incentives for Class and AR Celebrations
